1. The following military transports were observed passing through Küstrin-Kietz in a westerly direction during mid-February:
  - 14 February - one train of 50 cars
  - 15 February - one train of 50 cars
  - 16 February - one train of 52 cars

  - 19 February - one train of 55 cars
  - 20 February - two trains, 50 cars and 52 cars respectively
  - 21 February - one train of 50 cars
2. These trains arrived late in the evening or in the middle of the night. They stopped in Kietz at the most 30 minutes. Enlisted men were not allowed to leave the cars. Every car was guarded by two sentinels. As far as could be observed, the troops were only infantry, estimated to be between 17 and 23 years of age. Each car held an estimated 40 to 50 men.
3. No transports of military personnel through Küstrin-Kietz were observed from 22 February to 27 February inclusive.
